### **Sharing a Bedroom**

Decide when it's ok for children to share a bedroom at home, away or on holiday and what you can do to help keep them safe.

Our new fence will help to prevent anti-social behaviour from spoiling the school field for our children. Now that our field is protected, the children will be able to make more use of it during the day, for PE lessons and after school clubs. It also provides additional security for our site and neighbours.
