

# Spring 2<sup>nd</sup> Half Term 2023 Early Years

We are looking forward to a fun filled term full of opportunities to reach high and grow together.

# Thank you so much for your generous weekly 50p contributions for our Early Years Fund!

Each week, the children in Early Years will be taking part in activities associated with the topic of 'Spring'.		
Each week, the children in Early Years will be taking part in activities associated with the topic of 'Spring'.   We will be looking at the following topics and stories:   I see Spring'     Peely Wally     Look out Leon     Ferdie's Springtime Blossom     Spring Is Here!     Snow Rabbit, Spring Rabbit :A book of changing seasons.     Science Week     Easter	Area of	This half term our topic is <u>'Spring'</u>
topic of 'Spring' We will be looking at the following topics and stories:  I see Spring' Peely Wally Look out Leon Ferdie's Springtime Blossom Spring is Herel Snow Rabbit, Spring Rabbit :A book of changing seasons. Science Week Easter We are continuing with the daily phonics activities. The children will develop their speaki listening and memory skills. The children will take part in lots of writing and activities associated with our topic. If your child does any writing at home, please bring it in as we would love to see it or pop a picture on Tapestry for us to share.  The children will continue to take part in lots of number activities involving number recognition, ordering numbers to 10, subitising, counting activities, problem solving, doubling halving and shape activities. and schools.
<ul> <li>French - Mrs Redhead teaches the class French each week.</li> </ul>
The children will continue to sing songs and have the opportunity to compose pieces of music with instruments related to our topics, be imaginative, play cooperatively to develop and act out narratives. Paints, pastels, crayons, and other mark making materials and art equipment will be available every day for the children to use.
The children will use the following pieces of equipment to develop their fine motor and gross motor skills:  Play dough and other malleable materials Scissors and glue Mark making materials Play various playground games Climbing Frame and tunnel Scooters and bikes Obstacle courses Bats and balls Hoops and beanbags Wooden and plastic blocks They will also learn about self-care: Washing their hands regularly and how germs are spread Learn to use tissues- catch it, kill it, bin it Using the toilet with increasing independence Getting dressed and undressed independently Road safety and how to keep safe as we walk around our local area

#### Outdoor Play

We would like to remind parents/carers to ensure children bring appropriate clothing to school for outdoor play. Coats, hats, and gloves should all have names in them. It is a good idea to send a spare set of clothes in for your child in case they get wet or dirty. We do have some spare clothes, but our supply is extremely low! If you have any old clothes which your child has grown out of, we would be very grateful for trousers, tops, wellies, pants, or socks. Thank you!

# Home Learning & Tapestry

All home learning will be sent out via email on a Monday. Please submit all home learning via the Tapestry app by the following Monday. If you have trouble accessing Tapestry, please speak to a member of staff. It's important that all parents have access to this wonderful app.

#### Water bottles

Please provide a named bottle with plain tap water for your child to access whenever needed throughout the day.

## School uniform

Please ensure your child wears the correct uniform which is clearly labelled with your child's name. Children must wear a tie, a shirt with pointed collar, a school jumper or cardigan with the logo on, grey trousers/skirt/pinafore and plain black school shoes.

#### P.E

We have PE on Wednesdays and Fridays. Your child must come to school in their PE clothes.

### Toys, scooters & bikes

Toys and teddies must not be brought into school. Please can we also remind you that in the interests of safety, if your child comes to school on a bicycle, scooter, or any other child's vehicle they must dismount the item when they arrive at the gate and lock it in the cycle store (located on the main school playground). Please be aware that the main school gates will be locked and won't re-open until 3:25pm. Alternatively, scooters and bikes can be handed to the parent/carer to take home for safe keeping. Unfortunately, we are unable to store scooters and bikes in our nursery playground for safety reasons. Thank you.

# Early Years Fund

Thank you again for your weekly 50p donations. They really do make a difference! We are continuing to ask Early Years parents for a contribution of 50p per week.

#### **Bags of Support**

We have resource bags available in Early Years to help support families at home. These are for: bereavement, divorce/separation, potty training, new baby, sleep routines, healthy eating, fine motor skills development, staying in hospital and behaviour. Please speak to a member of staff if you would like more information.

#### Visits

On <u>Tuesday afternoons</u> we will continue with our weekly 'Welly Walk'. We will basically be walking around the local area and carrying out various activities whilst we are out and about. Please can your child bring a pair of wellies to school on Tuesdays, or your child can leave their wellies at school.

# Important dates for your diary: -

Monday 27<sup>th</sup> February 2023 School opens for Spring Term 2

Thursday 2<sup>nd</sup> March 2023 World Book Day

Monday 13<sup>th</sup> March – Friday 17<sup>th</sup> March 2023 National Science and Engineering Week
